Purposes of the treatment

- Inform you about our services, when requested through the forms on the website or by email.
- Answer and manage your queries, comments and suggestions, if applicable.
- Manage your participation in present and future selection processes when you send us your data (including your CV) for said purpose.
- In order to obtain information on the use of the website, the number of pages visited, the number of visits, as well as the activity of the visitors and their frequency of use are analyzed. For these purposes, the RESPONSIBLE uses statistical information prepared by the Internet Service Provider that does not allow the interested party to be identified at any time.

Legitimation

Consent. The personal data obtained through the forms of the website will be processed solely based on the consent granted by the interested party, through the acceptance of the box provided for this purpose. This consent can be withdrawn at any time.

Legitimate interest of the person responsible. The statistical information obtained from the website will be treated based on the legitimate interest of the person in charge. This information does not allow the identification of the user. The data obtained to participate in these selection processes will be used based on the legitimate interest of the person in charge. In order to preserve the candidacy for use in future selection processes, the consent of the interested party will be obtained.

Recipients

The personal data obtained through the website will not be communicated to third parties, except legal obligation.

Conservation

The personal data provided by the user to receive commercial communications will be kept as long as the interested party does not request their deletion or withdraw their consent.

When the user sends their personal data to participate in the RESPONSIBLE's selection processes, the data will be processed to participate in these selection processes, and if they are not selected, their personal data will be kept for a period of two years in order to be able to count on their participation in future processes.

When the user sends their data to contact the RESPONSIBLE, make queries or suggestions, the data will be kept as long as it is necessary for this purpose and responsibilities for the treatment may arise. Traffic data, statistics and web visits: the data will be kept for a period of three years.

Rights

You can exercise your rights of access, rectification, deletion and portability of your data, limitation and opposition to your

treatment, by writing accompanied by an official document that identifies you addressed to NFOQUE CENTRAL SERVICES AND OPERATIONAL SUPPORT, SL Calle O'donnell, 34 - 28009 MADRID (Madrid).
